

BLOCKCHAIN DIGITAL NETWORK REFUND POLICY AND RISK DISCLOSURE

Last Updated: [2024]

1. **Refund Policy:** Blockchain Digital Network Understands The Importance Of Customer Satisfaction And Transparency. While We Strive To Provide Our Clients With The Best Possible Service, It's Essential To Acknowledge That Cryptocurrency Investments Involve Inherent Risks. As A Result, We Have Established The Following Refund Policy:

1.1 **Refund Eligibility:** Blockchain Digital Network Does Not Guarantee Any Refunds On Investments. Cryptocurrency Markets Are Highly Volatile, And The Value Of Assets Can Fluctuate Significantly. Clients Are Responsible For Conducting Thorough Research And Assessing Their Risk Tolerance Before Making Any Investment Decisions.

1.2 **Disputed Transactions:** In The Event Of A Disputed Transaction, Blockchain Digital Network Will Review The Circumstances On A Case-By-Case Basis. Refunds May Be Considered If There Is Evidence Of Technical Errors Or Other Issues Attributable To Our Platform. However, Decisions Regarding Refunds Will Be Made At The Sole Discretion Of Blockchain Digital Network .

1.3 **Processing Time:** Refund Requests, If Approved, Will Be Processed Promptly. However, The Timeline For

Funds To Be Returned May Vary Depending On The Payment Method And Financial Institutions Involved.

2. **Risk Disclosure:** Cryptocurrency Investments Carry Inherent Risks That Investors Should Carefully Consider Before Participating In Any Blockchain Digital Network Products Or Services. It Is Crucial To Acknowledge The Following Risks Associated With Crypto Investments:

2.1 **Market Volatility:** Cryptocurrency Markets Are Known For Their Extreme Volatility. Prices Can Experience Rapid And Unpredictable Fluctuations, Leading To Potential Gains Or Losses.

2.2 **Regulatory Risks:** The Regulatory Environment For Cryptocurrencies Is Evolving. Changes In Laws And Regulations May Impact The Market, Potentially Affecting The Value And Usability Of Digital Assets.

2.3 **Technology Risks:** Blockchain Technology, On Which Cryptocurrencies Rely, Is Complex And May Be Subject To Vulnerabilities. Technical Issues, Cyber Attacks, Or Network Failures Could Impact The Security And Functionality Of Assets.

2.4 **Liquidity Risks:** Some Cryptocurrencies May Have Limited Liquidity, Making It Challenging To Buy Or Sell Assets At Desired Prices. Illiquid Markets Can Lead To Increased Price Volatility.

2.5 **Loss Of Access:** Loss Of Access To Wallets Or Private Keys May Result In The Permanent Loss Of Assets. Clients Are Responsible For Safeguarding Their Account Information And Private Keys.

By Engaging In Blockchain Digital Network Services, Clients Acknowledge And Accept These Risks. It Is Strongly Recommended That Clients Seek Professional Financial Advice And Conduct Their Own Research Before Making Investment Decisions.
